

2011 PCCC Men's Golf Championship August 13-14 Final Results

Chris Greenwood

Chris Greenwood won the 66th edition of the PCCC Men's Golf Championship played on August 13th and 14th. He shot a one-under-par 71 on Saturday followed by an even par round of 72 on Sunday that included 3 birdies and 3 bogeys. Pat Collogan finished in second place 3 shots behind Greenwood.

Greenwood was the Ponca City Golf Champion all three years that the city-wide tournament was played in 2007, 2008 and 2009. This is the first year that he has competed in the PCCC Men's Golf Championship.

Chris was asked to share his thoughts on winning the tourney. "I am honored and very proud to be the Men's Golf Champion at PCCC in 2011. It was really fun competing with Pat Collogan and Steve Lusk on Sunday. I really haven't played as much golf this year as in years' past because of my busy schedule at work, but overall, I played solid golf both days."

Ricky Watts won the PCCC Senior Golf Championship for players ages 50 and over with rounds of 74-79-153.

The complete results of this year's Men's Golf Championship can be seen below. Net scores were used to determine the winners in all of the flights except for the Championship Flight.
