

Pixie Rowland Named PCCC Golf Shop Manager

Pixie Rowland has been hired as the Golf Shop Manager at the Ponca City Country Club, effective March 1st. She will be working under the direction of Head Golf Professional Bruce Maddux, and will be involved in all aspects of the golf operations at the Club.

Pixie retired recently after a 14-year career with the Oklahoma Blood Institute. She served as a mobile recruiter and most recently as Director of Operations.

Pixie played tennis at the University of Minnesota during her college years and did not start playing golf until her tennis career ended. She has won the PCCC Ladies Golf Championship 4 times; 1987-88-89 and 1996.

“I truly enjoyed my years at O.B.I., but when the opportunity to work at the Club became available, I could not turn it down. I plan to be creative in an effort to grow

our Junior Golf program at the Club. Golf is a life-long sport, and I think it is important to get the kids involved at a young age. I will also work closely with Bruce in developing more events where the parents and their children can play golf together. I am excited to be here and appreciate everyone’s support.”
